PELICAN CHAIR 1940
BY **FINN JUHL** —

PELICAN CHAIR 1940

The characteristic soft and organic shape is almost like a body holding a body. When you sit down, the chair practically gives you a friendly hug. Like many of Juhl's later designs, the chair invites several comfortable sitting positions. The Pelican Chair is produced in two versions - with or without buttons. It is manufactured with a loose cushion and a hand sewn upholstery available in woolen fabric or leather. The legs are available in oak, walnut, teak and black stained.
